ANNUAL MEETING OF SHAREHOLDERS OF

THE QUIGLEY CORPORATION

PROXY STATEMENT OF

*TED KARKUS, MARK BURNETT, JOHN DESHAZO, MARK FRANK,
LOUIS GLECKEL, MD, MARK LEVENTHAL AND JAMES MCCUBBIN
(Opposing the Board of Directors of The Quigley Corporation)*

April __, 2009

PLEASE SIGN, DATE AND MAIL THE ENCLOSED BLUE PROXY CARD TODAY.

To the shareholders of The Quigley Corporation:

This proxy statement and the accompanying **BLUE** proxy card are being furnished to shareholders of The Quigley Corporation (the "Company"), a Nevada corporation, by the Shareholder Nominees (as defined below), with respect to the solicitation of proxies in connection with the 2009 Annual Meeting of Shareholders of the Company (the "Annual Meeting"), which the Company has called to be held at Doylestown Country Club, Green Street, P.O. Box 417, Doylestown, PA 18901, on May 20, 2009, at 4:00 p.m., local time. Pursuant to this proxy statement, we are soliciting proxies to be used at the 2009 Annual Meeting of Shareholders of the Company, and any adjournments or postponements thereof, from holders of shares of the Company common stock, to vote **FOR** the election to the Company's board of directors of the Shareholder Nominees and to vote **FOR** the ratification of Amper, Politziner & Mattia, P.C. as the Company's independent auditors for the year ending December 31, 2009.

Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting To Be Held on May 20, 2009: Our proxy materials are available on the following website: www.shareholdermaterial.com/qgly. No control numbers are required to access the proxy materials.

At the Annual Meeting Ted Karkus, or another Shareholder Nominee, will propose that he, Mark Burnett, John DeShazo, Mark Frank, Louis Gleckel, MD, Mark Leventhal and James McCubbin (collectively, the "Shareholder Nominees", "we" or "us") be elected as the Company's board of directors. We oppose the election of the slate of directors named in the proxy statement being distributed in the name of the Board of Directors of the Company. Since only your latest dated proxy card will count, we urge you not to return any white proxy card you receive from the Company. Even if you have already returned a white proxy card, you may revoke that proxy and vote by using the BLUE proxy card, as explained below in the sections headed "Voting Procedures" and "Proxy Revocation Rights."

This Proxy Statement is soliciting proxies to elect only the Shareholder Nominees. Accordingly, the enclosed **BLUE** proxy card may be voted only for the Shareholder Nominees and does not confer voting power with respect to any of the director nominees proposed in the proxy statement distributed in the name of the Board of Directors of the Company. See "Voting Procedures" on page 10 and "Proxy Revocation Rights" on page 13 for additional information.

We are the only “participants” in this solicitation, as that term is used in federal securities law, and we have no substantial interest in the Company other than our ownership of shares. Of the 12,908,383 outstanding shares of common stock as of March 6, 2009, we beneficially own 1,309,323 shares, representing approximately 10.14% of the shares outstanding. We intend to vote all of our shares of Common Stock in favor of our election as directors and will not vote our shares in favor of any of the Company nominees. A detailed breakdown of this ownership appears in Appendix A to this proxy statement. Additionally, transactions by any of us within the past two years involving the Company’s common stock appear in Appendix B to this proxy statement.

Only Company shareholders of record at the close of business on March 27, 2009 (the “Record Date”) are entitled to receive notice of and to vote at the Annual Meeting or any adjournments or postponements thereof.

The election of the Shareholder Nominees requires the affirmative vote of a PLURALITY of the votes cast, assuming a quorum is present or otherwise represented at the Annual Meeting. As a result, your vote is extremely important in deciding the future of the Company. Whether or not you plan to attend the Annual Meeting, you are urged to sign and date the enclosed **BLUE** proxy card and return it as instructed below.

This proxy statement and the enclosed **BLUE** proxy card are being mailed to you on or about April ___, 2009.

Reasons for the Solicitation

We believe that the Company’s current Board of Directors is not sufficiently independent of management and that the current Board has failed to maximize shareholder value. We believe that the Board has rubber-stamped highly questionable business decisions that have resulted in a severe decline in financial performance.

Over the past three fiscal years, management has delivered declining revenues, declining gross and net profits (increasing net losses), declining stockholder’s equity and declining stock prices. In our opinion, the Board has approved massively excessive compensation to management and their family members which flies in the face of these poor results. This has depleted scarce capital resources that would have been better expended on supporting the Company’s now-struggling Cold-Eeze franchise and supporting additional funding for R&D to accelerate the slow, eight year development in the Pharma division. Finally, the Board approved the sale of key revenue producing assets in 2008 to a company for which the CEO’s brother is a major shareholder (which was not disclosed in Company filings) and at a highly questionable valuation.

If the Shareholder Nominees are elected, consistent with and subject to our fiduciary duty to stockholders, we intend to: review the performance, compensation and composition of senior management and their family members; review the overall overhead structure of the Company to maximize profitability in the OTC operations; institute strong corporate governance policies to prevent nepotism and unfair related party transactions, including the requirement that a majority of independent directors approve all transactions (including the hiring of employees) that involve a related party; and work tirelessly to maximize shareholder returns.

Background for the Solicitation

Ted Karkus, one of the Shareholder Nominees, first invested in the Company's common stock in 1996 during the initial introduction and roll out of Cold-Eeze. Over the years, while again investing in the Company's common stock due to his belief in the potential of the Quigley Pharma division, he became disillusioned with the Company's executive management team. As a shareholder, he called the Company's Chairman several times during the last year to voice his concerns over the Company's direction, management's compensation and the slow development of the Pharma division due to the lack of appropriate funding. He met with the Chairman after the 2008 annual shareholder's meeting and met with both the Company's Chairman and Secretary later in the year to discuss these concerns. He also sent the Chairman an e-mail in June of 2008 specifically questioning the performance of certain employees and the lack of sponsorship and trading volume in the Company's common stock. He did not receive a response to this email though he continued to receive email on unrelated topics from the Chairman. Due to the lack of responsiveness from the Company, Mr. Karkus became convinced that the Company was not serious about reform. Mr. Karkus decided it would be futile to make demands on the Board of Directors or to continue conversations with the board especially considering his belief that the current board is not sufficiently independent of management. As a result, he did not approach the Board of Directors prior to filing this Proxy Statement.

Proxy Solicitation by the Shareholder Nominees

In addition to the mailing of this Proxy Statement and the **BLUE** proxy card to the shareholders of the Company, we expect to solicit proxies by personal telephone calls, e-mails or visits to some shareholders.

Ted Karkus, one of the Shareholder Nominees, has engaged The Altman Group to assist in the solicitation of proxies by the Shareholder Nominees and to assist shareholders in submitting their **BLUE** proxy cards.

Thank you for your support,

The Shareholder Nominees

In the event that a reasonable time before the date of the Annual Meeting it becomes necessary for us to nominate substitute directors, as discussed below, or if we learn of other business to be transacted at the meeting, we will disseminate supplemental soliciting materials and a revised proxy card. We do not expect that any Shareholder Nominees will be unable to stand for election, but if any of us are unable to serve, or for good cause will not serve, the Shares represented by the enclosed **BLUE** proxy card will be voted for substitute nominees. In addition, we reserve the right to nominate substitute persons if the Company makes or announces any changes to the Company's Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any one or more of the Shareholder Nominees. In any such case, Shares represented by the enclosed **BLUE** proxy card will be voted for such substitute nominees. We also reserve the right to nominate additional persons if the Company makes or announces any changes in the Company's Bylaws or takes or announces any action that has or, if consummated, would have the effect of increasing the number of directors of the Company.

We are not aware of any material procedural requirements that must be followed under the Company's by-laws, Nevada Law or otherwise to present the Shareholder Nominees for election at the Annual Meeting or that would prevent us from nominating substitute directors. If there are any such procedural requirements and we are unable to satisfy them, shareholders that vote using the **BLUE** proxy card will not have their vote recognized and will be disenfranchised with respect to the election of directors.

***WE URGE YOU TO VOTE FOR THE ELECTION OF THE SHAREHOLDER NOMINEES
BY USING THE ENCLOSED BLUE PROXY CARD.***

We are soliciting your proxies for our election to the board of directors of the Company. Our business backgrounds are described above. The slate proposed by Guy J. Quigley as set forth in the proxy statement distributed in the name of the Company, consists of Guy J. Quigley and six others.

OTHER PROPOSALS

The Company has proposed that the shareholders ratify the selection of Amper, Politziner & Mattia, P.C. as the Company's independent auditors for the year ending December 31, 2009. We do not object to the ratification of the appointment of Amper, Politziner & Mattia, P.C. as the Company's independent auditors and therefore recommend FOR such ratification.

We know of no other business to be transacted at the 2009 Annual Meeting of Shareholders, but if any other matters do come before the meeting, it is the intention of the persons named in the accompanying proxy to vote or act with respect to them in accordance with their judgment. The proxies may exercise discretionary authority only as to matters unknown to them a reasonable time before the date of this proxy solicitation.

VOTING PROCEDURES

How do I vote by proxy if I am a registered holder?

To vote by proxy, you should complete, sign and date the enclosed **BLUE** proxy card and return it promptly in the enclosed postage-prepaid envelope. To be able to vote your shares in accordance with your instructions at the Annual Meeting, we must receive your proxy as soon as possible but, in any event, prior to the meeting. You may vote your shares without submitting a proxy, if you vote in person.

How do I vote in person if I am a registered holder?

If you held shares of the Company common stock on the Record Date you may attend the Annual Meeting and vote in person.

What if I am not the registered holder of my shares?

If your shares are held in the name of a brokerage firm, bank nominee or other institution, that institution is considered to be the “registered holder,” and only that firm can give a proxy with respect to your shares. You may have received either a **BLUE** proxy card from the registered holder (which you can complete and send directly to the institution) or an instruction card (which you can complete and return to the registered holder to direct its voting of your shares). If the registered holder has not sent you either a **BLUE** proxy card or an instruction card, you may contact the registered holder directly to provide it with instructions.

You may receive more than one set of voting materials, including multiple copies of this proxy statement and multiple **BLUE** proxy cards or voting instruction cards. For example, if you hold shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which your shares are held. You should complete, sign, date and return each **BLUE** proxy card and voting instruction card you receive.

You may also receive a white proxy or voting instruction card that is being solicited in the name of the Company’s board of directors. ***We urge you to discard any white proxy card or voting instruction card sent to you by the Company. If you have previously signed a white proxy card or white voting instruction card sent by the Company, we urge you to sign, date and promptly return the enclosed BLUE proxy card or voting instruction card before the Annual Meeting. By doing so, you will revoke any earlier dated proxy card or voting instruction card solicited by the Company’s board of directors. It is very important that you date your proxy. It is not necessary to contact the Company for your revocation to be effective.***

If you have questions or need assistance, please contact our proxy solicitor, The Altman Group, toll-free at (866) 796-7175.

What is a “legal proxy,” and when would I need one?

If you do not have registered ownership of your shares and want to vote in person at the Annual Meeting, or if you are voting for someone else at the Annual Meeting, you may obtain a document called a “legal proxy” from the registered holder of the shares or such other person and bring it to the Annual Meeting. If you need assistance, please contact our proxy solicitor, The Altman Group, toll-free at (866) 796-7175.

What should I do if I receive a white proxy?

Proxies on the white proxy card are being solicited by Guy J. Quigley in the name of the Company's Board of Directors. If you submit a proxy to us by signing and returning the enclosed **BLUE** proxy card, do not subsequently sign or return a white proxy card or follow any voting instructions provided by the Company, unless you intend to change your vote, because only your latest dated proxy card will be counted.

If you have already sent a white proxy card to the Company, you may revoke it and vote for the Shareholder Nominees by signing, dating and returning the enclosed BLUE proxy card or by attending the Annual Meeting and voting in person. See "Proxy Revocation Rights" below.

Can I vote for the Shareholder Nominees on the white proxy card being circulated by the Company?

The only way to vote for the Shareholder Nominees is by voting the **BLUE** proxy card.

What if I want to revoke my proxy or change my voting instructions?

Please refer to the section on "Proxy Revocation Rights" below.

If I plan to attend the Annual Meeting, should I still submit a proxy?

Whether you plan to attend the Annual Meeting or not, we urge you to submit a **BLUE** proxy card. Returning the enclosed proxy card will not affect your right to attend the Annual Meeting and vote.

Who can vote?

You are eligible to vote or to execute a proxy only if you owned shares of common stock of the Company at the close of business on the Record Date, which the Board of Directors of the Company set at **March 27, 2009**. ***Even if you sell your shares after the Record Date, you will retain the right to execute a proxy in connection with the Annual Meeting.*** It is important that you grant a proxy regarding shares you held on the Record Date, or vote those shares in person, even if you no longer own those shares. On March 6, 2009, 12,908,383 shares of the Company's common stock were issued and outstanding.

How many votes do I have?

With respect to each matter to be considered at the Annual Meeting, you are entitled to one vote for each share of common stock owned on the Record Date. Based on documents publicly filed by the Company, the Company's only outstanding voting securities are its common stock.

How will my shares be voted?

If you give a proxy on the accompanying **BLUE** proxy card with instructions, your shares will be voted as you direct. If you submit a signed **BLUE** proxy card without instructions, your shares will be voted **FOR the election of the Shareholder Nominees** as directors of the Company.

Submitting a signed **BLUE** proxy card without instructions will entitle the Shareholder Nominees to vote your shares in their discretion on matters not described in this proxy statement that the Shareholder Nominees do not know, within a reasonable time before this solicitation, are to be presented at the Annual Meeting and that properly come before the Annual Meeting, or any adjournment or postponement thereof.

If shareholders holding shares of the Company stock in street name do not provide voting instructions, their shares may not be voted.

Unless a signed proxy specifies otherwise, it is presumed to relate to all shares held of record on the Record Date by the person who submitted it.

Can my broker vote my shares?

If you are the beneficial owner of shares held in “street name” by a broker or nominee, the broker or nominee, as the record holder of the shares, is required to vote those shares in accordance with your instructions. If you do not give instructions to the broker or nominee, that person will not be permitted to vote the shares with respect to “non-routine” items. In that event, your shares will be treated as broker non-votes and will not be counted in determining whether the number of votes necessary to approve those matters has been obtained. In the present instance, the election of directors will be a non-routine item. As a result, if your shares are held in “street name” and you do not provide instructions as to how your shares are to be voted in the election of directors, your broker or other nominee will not be able to vote your shares in the election of directors, and your shares will not be voted for any of the Shareholder Nominees.

Can I abstain from voting?

When an eligible voter attends the meeting, in person or by proxy, but decides not to vote, his or her decision not to vote is called an abstention. Properly executed proxy cards that are marked “withhold authority” on any proposal will be treated as abstentions for that proposal. In all matters other than the election of directors, abstentions have the same effect as votes AGAINST the proposal.

How many votes are required for the election of directors?

A plurality of the shares of common stock present, in person or represented by proxy, and entitled to vote at the meeting is required to elect the nominees for director. A plurality means that the nominees receiving the largest number of votes, up to the number of nominees to be elected, will be elected. Each shareholder will be entitled to vote the number of shares of common stock held as of the record date by that shareholder for each director position to be filled. Shareholders will not be allowed to cumulate their votes in the election of directors.

If other matters are properly brought before the Annual Meeting, the vote required will be determined in accordance with applicable law and the Company's charter and bylaws, as applicable.

What is a quorum, and why is it necessary?

A quorum of shareholders is necessary to have a valid shareholders' meeting. The presence, in person or by proxy, of the holders of a majority of the issued and outstanding shares of each class of stock entitled to vote at the Annual Meeting is necessary to constitute a quorum.

Can the meeting be adjourned or postponed?

The Company's bylaws provide that, if a quorum is not present, a shareholders' meeting may be adjourned from time to time by a majority of shares represented at the meeting.

How can I receive more information?

If you require assistance or have questions about giving your proxy or about this proxy solicitation, please contact The Altman Group, toll-free at (866) 796-7175.

PROXY REVOCATION RIGHTS

If I have already voted using the Company's white proxy card, can I revoke my proxy?

Any shareholder of record may revoke or change his or her proxy instructions at any time prior to the vote at the Annual Meeting.

How can I revoke my proxy if I am a shareholder of record?

You can change your proxy instructions by:

- submitting a properly executed, subsequently dated **BLUE** proxy card that will revoke all prior proxy cards, including any white proxy cards that you may have submitted to the Company; or
- attending the Annual Meeting and withdrawing your white proxy by voting in person (although attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy).

How can I revoke my proxy if I hold my shares through a brokerage, bank or other institution?

If you hold your shares in “street name,” i.e., through a brokerage, bank or other institution, you can revoke your proxy by: submitting a new proxy card or voting instruction form to your broker or nominee, either by mail or by telephone or by using the internet in accordance with instructions from your broker or nominee; or attending the Annual Meeting and voting in person, provided you have obtained a signed legal proxy from the record holder giving you the right to vote your shares.

If you choose to revoke a proxy by giving written notice or a later-dated proxy to the Secretary of the Company or by submitting new voting instructions to your broker or nominee, we would appreciate it if you would assist us in representing the interests of shareholders on an informed basis by sending a copy of the later-dated proxy or voting instructions directly to The Altman Group at 1200 Wall Street West, Lyndhurst, NJ 07071.

Please remember that only the latest dated proxy card will be counted. Therefore, we urge you to sign, date and return the BLUE proxy card accompanying this proxy statement.

PLEASE NOTE, that in order to vote FOR the election of the Shareholder Nominees as directors of the Company and FOR all of the shareholder proposals, you will need to complete and return the BLUE proxy card, regardless of whether or not you send a revocation.

PROXY SOLICITATION AND EXPENSES

Proxies may be solicited by mail, telephone, facsimile, telegraph, e-mail, newspaper advertisements, the internet and other publications of general distribution and in person. In connection with this solicitation of proxies, banks, brokers, custodians, nominees, other institutional holders and other fiduciaries will be asked to forward all soliciting materials to the beneficial owners of the shares that those institutions hold of record. Ted Karkus, one of the Shareholder Nominees, will reimburse those institutions for reasonable expenses that they incur in connection with forwarding the materials supplied by the Shareholder Nominees. As noted in “Proxy Solicitation by the Shareholder Nominees” above, Ted Karkus has engaged The Altman Group to assist in the solicitation of proxies by the Shareholder Nominees, and to assist shareholders in submitting their **BLUE** proxy cards. In addition to The Altman Group, members of the Shareholder Nominees may perform these services by personal telephone calls, e-mails and visits to some shareholders.

Costs related to this solicitation of proxies include expenditures for printing, postage, legal services (including any litigation costs arising in connection with this solicitation), proxy solicitation services and other related items. Ted Karkus is bearing the entire expense of this proxy solicitation on behalf of the Shareholder Nominees. Total expenditures are presently expected to be approximately \$200,000 to \$250,000. Total payments of costs to date by Ted Karkus are approximately \$50,000.

Ted Karkus will pay The Altman Group an estimated fee of up to \$60,000 (including variable costs) in connection with the solicitation and have agreed to reimburse it for its reasonable out-of-pocket expenses. Approximately 12 persons will be used by The Altman Group in its solicitation efforts. Ted Karkus will indemnify The Altman Group and its officers, directors and employees, from any and all losses incurred by The Altman Group in connection with the solicitation of the proxies for the Stockholder Meeting.

Dear Ms. Kim:

On behalf of Ted Karkus et al, we hereby transmit via EDGAR for filing with the Securities and Exchange Commission Amendment Number 1 to the above referenced Schedule 14A. We also are providing from Ted Karkus et al. the following responses to the comment letter regarding the Schedule 14A.

Schedule 14A

1. **Please confirm to us that you will post your proxy materials on a specified, publicly-accessible Internet Web site (other than the Commission's EDGAR Web site) and provide record holders with a notice of internet availability informing them that the materials are available and explaining how to access those materials. Refer to Rule 14a-16 and Exchange Act Release 34-56135 available at <http://www.sec.gov/rules/fmal/2007/34-56135.pdf>.**

We hereby confirm to you that we will post our proxy materials on www.shareholdermaterial.com/ggly, a publicly-accessible Internet Web site. We have revised the disclosure on page 1 to notify solicited holders of the availability of the proxy materials at this website. We have chosen to incorporate the contents of the notice of internet availability into our proxy statement.

2. **We note that security holders who vote the blue proxy will be disenfranchised with respect to the company's proposal to ratify the appointment of the company's independent auditors. Please revise the proxy statement and proxy card to state that by executing and returning your blue proxy card, security holders will relinquish the opportunity to vote on other matters to be voted upon at the annual meeting that the company has proposed in its proxy statement. Alternatively, please revise the form of proxy to include the company's other proposal.**
-

We have revised pages 1, 7 and the form of proxy to allow shareholders returning our proxy card to vote on the proposal to ratify the Company's appointment of Amper, Politziner & Mattia, P.C. as the Company's independent auditors for the year ending December 31, 2009.

3. **Please revise to include a background discussion of the contacts between the participants and the company during the time period leading up to the current solicitation. Please also describe how the Board or management responded to contacts made by the participants and the material details of any discussions or correspondence.**

We have revised the disclosure on page 3 in response to this comment.

4. **We note you state that the proxy statement is solicited by Ted Karkus or the Nominating Shareholder. Please revise throughout the proxy statement and proxy card to identify each of the participants in the solicitation. Refer to Item 4(b)(I) of Schedule 14A and Rule 14a-4(a)(1).**

We have revised the disclosure throughout the proxy statement and form of proxy to make clear that the Shareholder Nominees, as the participants, are making the solicitation. Please see the changes on pages 1, 2, 3, 4, 6, 7, 8, 9, 12, 13 and the form of proxy.

5. **Please revise to indicate that the proxy card and proxy statement are "preliminary copies." Refer to Rule 14a-6(e)(1).**

Reasons for the Solicitation, page 4

6. **Please avoid issuing statements that directly or indirectly impugn the character, integrity or personal reputation or make charges of illegal, improper or immoral conduct without factual foundation. Disclose the factual foundation for such assertions or delete the statements. In this regard, note that the factual foundation for such assertions must be reasonable. Refer to Rule 14a-9. Please provide us supplementally the factual foundation for the following statements:**

"The Nominating Shareholder believes that the Company's current Board of Directors is not sufficiently independent of management and that the current Board has failed to maximize shareholder value."

The participants believe this statement to be factual and the assertions to be reasonable. The Board of Directors is not sufficiently independent of management as three of the seven members of the The Quigley Corporation's (the "Company") Board are current executive officers of the Company. This is disclosed on page 2 of the Company's Proxy Statement filed on April 2, 2009 (File No. 000-21617).

Additionally, the Board has granted excessive compensation to management despite poor corporate performance. The Board granted the Company's top three executive officers over \$3 million in compensation in 2007 and over \$2 million in 2008, while the Company reported net losses of \$1.7 million in 2006, \$2.4 million in 2007 and \$5.5 million in 2008. In 2008, the net loss from continuing operations was even higher at \$6.4 million. This information comes from page 9 of the Company's 2009 Proxy Statement and page F-2 the Company's Form 10-K for the year ended December 31, 2008 (File No. 000-21617). We believe that if the Board were attempting to maximize shareholder value executive compensation would more accurately reflect corporate performance.

Further, as disclosed on page 12 of the Company's 2008 Proxy Statement, at the end of 2007 three relatives of the Company's CEO were employed by the Company and received compensation in excess of \$120,000 each (for a total of \$607,761). In the Company's 2009 Proxy Statement, the Company only disclosed one relative of the Company's CEO as receiving more than \$120,000 during 2008, but did not provide any disclosure as to whether the other individuals were still employed by the Company (please see page 12 of the Company's 2009 Proxy Statement). This one individual received \$221,115 in compensation in 2008. We do not believe that these individuals would be employed, or employed at such high levels of compensation, if the Board were sufficiently independent and seeking to maximize shareholder value.

Finally, the Board approved the February 29, 2008 sale of a subsidiary (Darius) for a cash purchase price of \$1 million. We believe this price failed to maximize shareholder value as evidenced by Darius's net income of \$139,263 for the first two months of 2008, and its subsequent net income for the remaining ten months of 2008 of \$1.3 million (net income from continuing operations was \$2.5 million for this period). This information comes from page F-3 of the S-1/A filed on April 16, 2009 by Innerlight Holdings, Inc., the purchaser of Darius (File No. 333-152430).

If you would like to receive physical copies of any of the cited documents, please let us know.

“The Nominating Shareholder believes that the Board has rubber-stamped highly questionable business decisions that have resulted in a severe decline in financial performance.”

The participants believe this statement to be factual and the assertions to be reasonable based on the fact that the Board approved the February 29, 2008 sale of a subsidiary (Darius) for a cash purchase price of \$1 million. This decision was highly questionable as Darius's net income for the first two months of 2008 (prior to the sale) was \$139,263, and its subsequent net income for the remaining ten months of 2008 of \$1.3 million (net income from continuing operations was \$2.5 million for this period). This information comes from page F-3 of the S-1/A filed on April 16, 2009 by Innerlight Holdings, Inc., the purchaser of Darius. We believe a more active, independent Board would not have permitted the sale of a subsidiary that generated net income of \$139,263 in the first two months of the year for only \$1 million.

The Board's decision becomes more questionable in light of the fact that the Board failed to disclose to the Company's shareholders, that the brother of the Company's CEO (and chairman of the Board) owned a 25.6% interest in the entity purchasing Darius. The name of the CEO's brother, Gary Quigley, and his ownership is disclosed on page 26 of Innerlight Holdings, Inc.'s Form S-1/A filed with the SEC on April 16, 2009.

Had the Board vetoed the sale and worked to improve Darius's performance, the Company could have been the beneficiary of Darius's improved financial performance.

If you would like to receive physical copies of any of the cited documents, please let us know.

“In the Nominating Shareholder's opinion, the Board has approved massively excessive compensation....”

The participants believe this statement to be factual and the assertions to be reasonable based on the fact that the Board granted its top three executive officers over \$3 million in compensation in 2007 and over \$2 million in 2008, while the Company reported net losses of \$1.7 million in 2006, \$2.4 million in 2007 and \$5.5 million in 2008. This information comes from page 9 of the Company's 2009 Proxy Statement and page F-2 the Company's Form 10-K for the year ended December 31, 2008. We believe that executive compensation should more accurately reflect corporate performance.

If you would like to receive physical copies of any of the cited documents, please let us know.

“...the Board approved the sale of key revenue producing assets in 2008 to a company for which the CEO's brother is a major shareholder (which was not disclosed in Company's filings) and at a highly questionable valuation.”

The participants believe this statement to be factual and the assertions to be reasonable based on the February 29, 2008 sale of a subsidiary (Darius) of the Company for a cash purchase price of \$1 million to Innerlight Holdings, Inc.

Darius was a key revenue producing asset for the Company. Darius had produced sales of \$15,274,940 for the year ended December 31, 2006 and \$11,233,879 for the year ended December 31, 2007. This information can be found on page F-9 of the Company's Form 10-K for the year ended December 31, 2008.

The valuation of \$1 million is highly questionable. Although Darius had experienced losses in 2006 and 2007, its business had turned the corner and was profitable for the first two months of 2008 (prior to the sale). During this period, Darius had net income of \$139,263. In fact, for the remaining ten months of 2008, the Darius business generated net income of more than \$1.3 million with net income from operations of over \$2.5 million. This information can be found on page F-3 of the financial statements of Innerlight Holdings, Inc.'s Form S-1/A filed with the SEC on April 16, 2009.

On February 29, 2008, Innerlight Holdings, Inc. purchased Darius from The Quigley Corporation. Gary Quigley, the brother of Guy Quigley, the CEO of The Quigley Corporation is a major shareholder of Innerlight Holdings, Inc. As disclosed on page 26 of Innerlight Holdings, Inc.'s Form S-1/A filed with the SEC on April 16, 2009, Gary Quigley owns 25.6% of Innerlight Holdings, Inc. Gary Quigley's interest in Innerlight Holdings, Inc. was not disclosed by the Board of The Quigley Corporation to the shareholders of The Quigley Corporation.

If you would like to receive physical copies of any of the cited documents, please let us know.

7. **Please describe any specific plans to “institute strong corporate governance policies to prevent nepotism and unfair related transactions” and to “maximize shareholder returns.” Please also state that the nominees’ plans could change subject to their fiduciary duty to stockholders if they are elected.**

We have revised the disclosure on pages 2 and 3 to address your comment. There are no specific plans at this time to “maximize shareholder returns”.

Proposal One. Election of Directors.... page 6

8. **We note that the Nominating Shareholder believes that each of the nominees qualifies as independent under NASDAQ’s rules. Please revise to affirmatively state whether each nominee is independent, as required by Item 7(c) of Schedule 14A and corresponding Item 407(a) of Regulation S-K.**

We have revised the disclosure on page 4 to affirmatively state that each Shareholder Nominee is independent.

9. **We note that each of the nominees has consented to being named in the proxy statement and has indicated a willingness to serve if elected. Please also revise to state whether each nominee has consented to serve if elected. Refer to Rule 14a-4(d)(4).**

We have revised the disclosure on page 4 to state that each Shareholder Nominee has consented to serve if elected.

10. **Please revise to briefly describe the type of business conducted by each company referred to in the nominees’ descriptions of business experience.**

We have revised the disclosure on pages 4, 5 and 6 to briefly describe the type of business conducted by each company referred to in the nominees’ description of business experience.

11. **We note that you may introduce substitute or additional nominees. Please revise to specifically address whether any advance notice provisions affect your ability to designate substitute or additional nominees. Please revise to state that a revised proxy card would be distributed with the proxy supplement.**

We have revised the disclosure on pages 5, 6 and 7 to state that in the event substitute nominees are made, a revised proxy will be distributed to shareholders in addition to supplemental soliciting materials. We have also revised the disclosure to state that the Shareholder Nominees are not aware of any procedural requirements that would prevent the Shareholder Nominees from making substitute nominees.

What is a quorum, and why is it necessary, page 12

12. **For ease of investor understanding, please revise to separate your discussion of the vote required under another subheading. Please revise to clearly state the treatment of broker non-votes and abstentions on the quorum and voting requirements. Refer to Item 21(b) of Schedule 14A.**

We have revised the disclosure on pages 10 and 11 to add two questions and responses in order to clarify the disclosure. The new questions are: "Can my broker vote my shares?" and "Can I abstain from voting?"

Proxy Solicitation and Expenses, page 14

13. **Please revise to fill-in the blanks in this section.**

We have revised the disclosure on pages 12 and 13 to provide the information requested.

Form of Proxy

14. **Please revise to specifically state that the proxy is not being solicited by the board of directors. Refer to Rule 14a-4(a)(I).**

We have revised the form of proxy to add the legend: "THIS PROXY IS NOT BEING SOLICITED ON BEHALF OF THE BOARD OF DIRECTORS OF THE QUIGLEY CORPORATION".

15. **With respect to any other registrant nominees, please revise to provide adequate space for security holders to write the name(s) of the nominees for whom they seek to withhold authority. Refer to Rule 14a-4(d)(4)(iii).**

We have revised the form of proxy to add space for security holders to write the name(s) of nominees for whom they seek to withhold authority.
