The Quigley Corporation has recently sent you their proxy (voting form) again which is all white. **DO NOT VOTE management's all white proxy.**

Only your last vote counts and you cannot vote both proxies. **If you vote to withhold using management's white voting instruction form, it will cancel your vote for our slate of nominees.**

We have also sent out our proxy voting form again to all shareholders. You should be receiving this by today or tomorrow. Our proxy Voting Instruction Form is very lightly shaded on the front and has our director nominees on it (Ted Karkus, Mark Burnett, John DeShazo, Mark Frank, Louis Gleckel, MD, Mark Leventhal, and James McCubbin).

If you have not voted yet, please vote ASAP by telephone or internet. It takes less than 30 seconds. **I expect this to be a very tight race.** Please vote even if you own 500 shares or less.

Voting Instructions:

At the bottom left side of the "Voting Instruction Form" is the telephone # to call (800) 454-8683 to vote your shares. Or you may go to www.proxyvote.com to vote your shares on the internet. You will need the CONTROL # which is on the right side of your voting form (under the Cusip #). **Do not use the control # on the Company's all white voting form.**

If you wish to support our nominees who are independent of current management, highly qualified and very motivated, you can only vote using the CONTROL # on our lightly shaded Voting Instruction Form with our nominees listed.

I really appreciate your support which will benefit all shareholders of The Quigley Corporation.

As always, if you have any questions, please do not hesitate to contact me directly.

Best Regards,

Ted
